You Walk With Us Forever

Our lives go on without you
But nothing is the same
We have to hide our heartache
When someone speaks your name

Sad are the hearts that love you
Silent are the tears that fall
Living here without you
Is the hardest part of all

You did so many things for us
Your heart was kind and true
And when we needed someone
We could always count on you

The special years will not return
When we are all together
But with the love in our hearts
You walk with us forever
