

Take It Home Green Book Unit 3

Your child has learned to spell many new words and would like to share them with you and your family. Here are some great ways to turn your child's spelling review of Lessons 13-17 into family fun!

Nov. 27- Dec. 1

Dec. 4-8

Happily Ever After!

With a little help from family members, your child can use the spelling words to write a story that is completely made up or that retells an old favorite. For example, to start you might say, "On the **fourth** day of May, the **writer** sat at his computer **thinking**. He ignored the ringing **phone** and started a **sixth** draft of his **short** story about. . . ."
