

Papa

Losing you is the worst kind of pain,
It's agony to bear
I search for you in every room
Knowing you're not there.

There's a hole inside my heart
Because yours no longer beats
So, I'll think of you when I see cardinals
In our snowy backyard trees

There are many things that I regret,
Things I didn't say
But I'll cherish every memory we made
Until I am in Heaven with you someday.
