

INSTRUCTIONS FOR FINANCIAL AID APPLICATION

*This form is due at the SACS business office
no later than the last day of school each school year.*

Savannah Adventist Christian School is pleased to offer a limited number of scholarships on an annual basis to worthy families. In fairness to all parties, we request that every applicant provide financial disclosure.

We recognize that personal financial situations may change during the course of a school year, possibly requiring a change to your financial aid package. Whether your family economic situation undergoes positive or negative change, we ask that you please notify us immediately so that we may work with you to maintain a stable educational environment for your child, avoid penalties or misunderstanding, and/or release funds for another family in need.

Although we will do our best to accommodate all that apply, the application itself does not guarantee bestowal of scholarship funds. A financial agreement will be prepared by the school treasurer after the Scholarship Committee meets and will be presented to you before your child may begin classes at SACS.

DIRECTIONS:

- Please fill out all sections of the application form completely. (If you do not fill out all sections, including the bottom portion asking how much you can commit to paying each month, the committee will not consider your application.)
- Attach a copy of your most recent 1040 or 1040A tax return form.
- Sign the bottom of the application
- If you believe you have a unique situation that needs further explanation, please attach a personal letter.
- Turn application and supporting documentation in to the school secretary or principal no later than the last day of school each school year.

Note: This document and its information will be handled with strict confidentiality by a small sub-committee of the School Board. Thank you for your openness.
