I'd like the memory of me

To be a happy one,

I'd like to leave

an afterglow of
smiles

when life is done.

I'd like to leave an echo

Whispering softly down the ways,

Of happy times and laughing times

And bright & sunny days.

I'd like the tears of those who grieve,

To dry before the sun
Of
happy memories
that I leave behind

When life is done.
