Don't think of me as gone away...
My journey's just begun.
Life holds so many facets...
This earth is only one.

Just think of me as resting
From the sorrows and the tears.
In a place of warmth and comfort,
Where there are no days and years.

Think how I must be wishing
That we could know, today,
How nothing but our sadness
Can really pass away.

And think of me as living
In the hearts of those I touched...
For nothing loved is ever lost...

*and I know I was loved
so much*

Forever in our hearts
