OCEAN STUDY

Our ocean study is coming to an end! We celebrated this week with a fun craft that is decorating our class windows – watercolor suncatchers. We will be transitioning next week to our Clothing Study. I would love to highlight different interesting clothing items over the next few weeks as we explore this new topic. If you have an item our class would find interesting and that you wouldn't mind letting us borrow, please let me know. Cultural and occupational items would be excellent learning opportunities for us.

CLASSROOM ITEMS

- If your family is interested in any more of a variety of sizes, shapes, and colors of pumpkins, please visit the Champions' roadside stand out by W. Lee Hwy (by the SVAE sign).
- If your child does not have the red SVAE field trip polo shirt, please see Mrs. Reedy at the front office to order one.
- I have signed up for a parent communication app called Remind. Many of you have already joined our class through an invite sent to your phone number. If you have not signed up yet, please accept the invitation, or text @svaepk to the number 81010. Messages sent through the app will show up via third party phone number.
