*For someone who meant so much
And loved by all he knew
Who left behind a trail of tears
and precious memories, too
His kindness in his heart was big
But heaven saw that he was tired
which meant we had to part.
Dad you are my angle up in heaven
I wanted you to know,
I feel you watching over us
Everywhere we go
God, I hope you understand that I
loved him just like you loved my
daddy
And now that it's his special day to
be in the Kingdom with you, Lord
Hear our prayers. Please let him
know that we are proud of him for
being a proud dad to us.
I wish that everyone on earth,
Could have such a Dad like you*

*If Roses grow in Heaven
Lord please pick a bunch for me.
Place them in my Father's arms
and tell him they're from me.*

*Tell him that I love him
and miss him,
and when he turns to smile,
Place a kiss upon his cheek
And hold him for a while.*

*Because remembering
him is easy,
I do it every day,
But there's an ache
within my heart
That will never go away.*
