## **April is Youth Month at Honor Credit Union**

Did you know that many money habits in children are formed by the time they're seven years old?

Whether your kids want to save money for the new "must have" video game or your 10-year-old wants to save for an awesome sound system for their first car, and not the car itself, it's important they learn the value of a dollar as early as possible.

What can you do? Help them start saving for their future, and all of the hilarious things they want right now, by showing them how to open their very own savings account!

***Honor Credit Union will give your kids \$10 when they open a new youth account!***

All April long, when you open a youth account at Honor Credit Union for your child, they'll deposit \$10 into their new account. While you reel in their out of this world wants, Honor will help you teach them how to manage their money and create lifelong habits. So bring your kids down to your local Honor Member Center to get started with their very own youth savings account today!

\*New youth accounts only. Must be under age 18. \$5 deposit required to open account and be eligible for the free \$10. Offer ends April 30th, 2019. Insured By NCUA.
