

## Mrs. Hagan's School Supply List

2018-2019

In order to make sure your student gets all the right school supplies they need, I will be buying the school supplies for your child. The cost will be \$30 per student to cover everything. This needs to be paid to me by registration in cash, so I can purchase supplies in a timely manner.

The only thing I would like you to provide for your student is a **pair of scissors**. Also, if you would like your child to have their own Bible that they can mark important verses in, please send them with a **NLT version translation of the Bible**. Christian Book Distributors has hardback versions on this (look for "pew Bible") for only \$12. It is so nice for students to have their own Bible so they can mark the important verses that we will be learning this year. If you are not able to purchase one, I do have several in the classroom, although they will not be able to mark in them.

All other supplies will be covered by the \$30 supply fee.
