Expressions of Love

Precious Domonique - My Dear Son!!!

WOW!!!! Words can't express my emotions at this present time!!!!!! It has been two of the hardest weeks. Even as we hold funeral services and memorials for you, I still can't believe that you're gone, Domonique. I keep looking at my phone, hoping that at any given moment you'd call and ask me, Ahh! {QUOTE} "What was I about to say" Oh!!! "What you doing, Mom?" I would say talking to you!!! Always I surprise you and just show up !!! Then you'd put your arms around me and ask me, "What's up, Mom?" with that big smile on your face. I miss that big smile that melts my heart, that loud infectious laugh that makes me want to laugh along with you. I am not all surprised that you grew up to be such a compassionate, understanding and forgiving young man. And I am so proud of you. So. Very. Proud. When I was unwell and was going through very difficult times, you told me, "You're gonna be fine, Moma. I got your back." I thought holding your funeral was the most difficult thing I have ever done, "No mother should ever have to bury her child. But I was wrong. Living life without your smile and hugs is even harder. You were my smile and hugs, You are one of my greatest blessing, my greatest love. But I will manage somehow. That is your legacy, Domonique. I will honor that. I will manage to laugh someday. Hard. Love? I will always have that. The overwhelming love and support I received from your friends, their respective families and even strangers has helped me through these harrowing times. I felt your hugs from every friend of yours who came up to me. And our family is stronger because of you. This is entirely your doing. This is because everyone loves you. As profoundly painful as it is to love and laugh without you physically by my side, I choose to do so as Simply because "I know you are Safe in the Bussum of Abraham in God's hands. That is the lesson you've taught me, Thank you for the life lessons. Thank you for loving me, Thank you for the best 27 years of my life. Thank you for your hugs and kisses. Thank you for enduring it all. Thank you for sharing your excitement about Payton's Birth {paypay} from te first day you found out even when she was born,many wonderful moments watching you loving her so much!!!!!!

Love, Mom

Love of A Sister...

Never in life would I think I have to say goodbye so soon, I love you so much literally! you're an amazing person, no one can compare to you. I only wish I had more time with you before God called you home. All I have are memories and memories keep replaying in my head. I feel an emptiness in my heart, I love you Dominique.

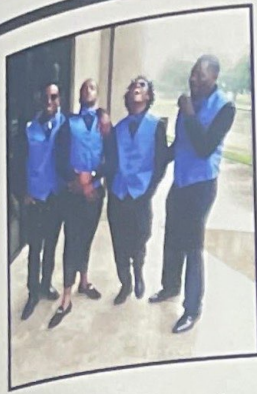

Love, Mikesha Washington

Brother
In Our Minds your Memories will Never FADE!!!!

My dear Brother, now that you are gone, You're no longer here to share the bond we had together, A bond of love and care. Yet somehow something tells me You are watching over me, now that from Worldly cares You finally are free. I miss you so very much, and my tears I cannot hide Yet, within my heart, I feel You are always by my side. Ever since you went away life has never been the same Yet, it comforts me to know That one day we'll meet again. I'll never forget you. - **Love, Delmus, Michael Jr., and Darius**

We are hurt and broken, we are angry and disappointed, because you were taken from us so soon, we are not ignorant, concerning you who are asleep. We will not grieve as though there's no hope to see you again, Jesus made that possible. We Believe that Jesus died and rose again! God will bring with Him those who sleep in Jesus. So Rest Now Nephew.

To Our Cousin

If tears could build a stairway, and memories a lane. I would walk right up to heaven and bring you back again. No farewell words were spoken, no time to say "Goodbye". You were gone before I knew it, and only God knows why. My heart still aches with sadness and the tears still flow. I thank God for all the memories we shared together! I love you cousin since you'll never be forgotten, I pledge to you today - A hollowed place within my heart where you'll always stay.
