

Principal's Message

A word from Mrs. Bryant

On Monday night our RAS Safety/COVID committee met to look at community numbers and evaluate our current health plans and protocols. The committee discussed some metrics that might push us into online learning based on percentage of active cases of RAS students/teachers or percentage of classrooms in quarantine.

At this point, we have not had any active cases in students or teachers nor have we had any classes in quarantine. If we do, we will communicate that information to our families.

With no cases represented here, we continue to move forward with our in-person learning, although that would be subject to change if cases became live in our student body or teaching staff.

We're here in person because we continue to put our school in God's hands, and because YOU continue to put our school first in your social interactions. Thank you for masking. Thank you for limiting your social interactions. Thank you for encouraging your children to follow our rules. We take one day at a time and thank you for your support.

Native American Heritage Month

Cinnamon Kills First presents to our students

We really enjoyed our time this week with Cinnamon Kills First. Cinnamon gave two wonderful presentations to our students. Grades K-4 enjoyed a reading of "Maria Tallchief: Woman of Two Worlds" (you can purchase the book at tinyurl.com/killsfirst if you're interested). Grades 5-8 had a screening of "Fort Robinson Outbreak 400 mi. Relay".

Students had the opportunity to ask questions and we all learned alot about Native American history and culture. Cinnamon even shared a recipe for Manoomin Salad (attached in your email) which looks like a delicious way to honor Native American people on the upcoming Thanksgiving holiday.

Mile Club Top 25!

In PE, students are running to earn toe-tokens and keep their bodies healthy!

Online Book Fair

Sunday is the last day!

When you order online:

- You get free shipping for book only orders over \$25.00.
- Books are shipped to your home, not the school.
- There are many more books available through the Online Fair than would be at the in-school fair.
- Rogers Library earns a small percentage of all book fair items sold. Thank you for your support!

Nativity Sets

Do you have a Nativity set that you would be willing to lend for display in the library locked display case? Children love to walk by and see the many different kinds of Nativity sets on loan from families like yours. If you are willing to lend yours for display, please send it to school labeled with your name. Nativity sets will be on display from November 30 – December 18. Your student can pick it up that last week before Christmas.
