Thinking of You  
and the Family.

- Kaye Mankhey

You've lost someone special...  
someone who made a lasting difference  
in your world, and in your heart.

Please know that you are  
being remembered during this time,  
and that warm and caring thoughts  
are sent your way now  
and in the days ahead.

Everyone so loved your Mom -  
Such a Dear Gail to all souls she  
touched. Phyllis - (Mom made this  
wreath w/ so many tears shed. They truly the Best of friends.  
So many wonderful memories as we were growing up in school +  
activities. Love you + your families.
