Some tips that might be helpful:

**Take the time to choose if you would like to be visible within our global directory**, which helps other yoga teachers and practitioners find you via location, credential, teaching experience, and more. If you have not already completed your online profile, you can do so now by logging into your account on [yogaalliance.org](https://yogaalliance.org).

- Select “Edit Teacher Profile.”
- Update your biography and teaching experience, change your contact information, and add or switch out photographs.
- Mark your profile as “visible” or “hidden” in the teacher directory.

**If you need a copy of your registry card**, as some employers might ask for this, you can download a copy from your teacher dashboard.

- Scroll to “Registry Card” and download it there.

- Download your designation logo(s) under "Designations & Logos" if you need these, too.
- Review our [Registry Marks Usage Guide](#) to understand how to use the mark(s) in any marketing materials.

**Engage with your peers by joining the YA CommUnity** where you and yoga professionals around the world can share information, resources, and experiences, strengthening your network and enhancing your yoga teaching and practice.

- Simply find and click the “CommUnity” button on the left side of your teacher dashboard.

**Personalize your communication preferences** to ensure you receive the Yoga Alliance and Yoga Alliance Foundation information most important to you.

- Find the “Communication Settings” tab on the left side of your teacher dashboard.
- Check the box(es) next to the email communications you would like to subscribe to.

**When it’s time to log Continuing Education (CE) hours\***, you can do so under your teacher dashboard.

- Find the "Continuing Education" box on the right side of your teacher dashboard.
- Click “Add Hours”.

\*To learn more about the CE requirement and where to find a provider, click [here](#).

Please note that any courses or training that occurred prior to registration do not count towards this membership requirement, though we do encourage you to include them within your teacher profile biography.

**If you need confirmation of your payment for taxes or other purposes**, print or download the receipt in your teacher dashboard.

- Scroll to “Billing” on the left-hand side of your main account page.
- Go to "Billing History."
- Download the PDF.

Be sure to familiarize yourself with the various [benefits](#) you have access to as a Yoga Alliance member, including the new peer-to-peer YA CommUnity, professional tools, workshops, discounts, our global directory, and more.
