

Bishop Mathayo

Simplified version.!

"NOTICE OF MY RETIREMENT" - Mathayo Kasagara

The Lord's name be praised!

I hope you are well and progressing well, although I guess you are, like me continuing to get older! I am still at my home in BWANGA, where I was born and grew up, and began helping at our village church! I was given long leave by the Archbishop to prepare for retirement. My family are now all scattered all over Tanzania... the 3 sons and 2 daughters. They are all well.

Please pray as I prepare for this new stage of my life:

(1) My plan is to return to Lake Rukwa Diocese, and travel the whole diocese, when I shall retire to Bwanga to farewell all the Christians there. This is till March.

It will be the rainy season. There is no finance set aside for this. Please pray for safety in travel and may God touch people's hearts to provide for this.

(2) up till now the house in BWANGA is not complete. There are no funds left to complete it. I am asking for God's intervention, so that I can move in at the end of March. I have finished building the walls and roofing but we need more corrugated iron, framework for doors and windows, also ceiling boards, flooring and paint. May God touch the hearts of people, whoever He wishes to help, even only in part, so that the house may be completed.

(3) Please continue to pray for my health. I was wonderfully healed in the past of my back, but now tension has caused an erratic blood pressure, up and down, all related to tension.

(4) Let us pray for the 2nd Bishop for Lake Rukwa Diocese, whoever he may be. May the process go well with God in control. May the process go peacefully and May God select his servant in peace.

(5) Let us commit the Consecration time to God's will and may it be a time of peace and blessing for the new bishop and people in the many churches.

(6) finally pray for me please. There will be no pension or wage to sustain me. I think it would be a good idea for me to have a project of some kind to keep me going. Please pray for guidance and ideas for this.

GOD BLESS YOU ALL! 

YOUR BROTHER IN JESUS, +MATHAYO KASAGARA
