

Our Kindergarten Day

While no two days are alike, here is a snapshot of what we do throughout a typical day!

Time	Activity	We Are Learning
8:00-8:20	Morning Bins	Students practice fine motor skills and review math and language arts skills with hands-on activities with classmates. This is a time for greeting each other and settling in for the day.
8:20-8:45	Worship/Bible	We sing songs, listen to Bible stories, engage in interactive activities to reinforce the Bible story, memorize Bible verses, and pray.
8:45-9:05	AM Routine	Students learn phonics, sight words, and math concepts through songs, poems, games, and activities.
9:05-9:30	Language Arts/Math	Students continue learning phonics and math concepts through a more in-depth lesson and time for individual, hands-on practice.
9:30-9:50	Recess	Students are given an opportunity for outdoor or indoor interactive, unstructured free-choice supervised play.
9:50-10:10	Theme Story	We enjoy stories and activities related to our theme. Science, social studies, comprehension, and vocabulary concepts are taught in the context of our theme.
10:10-10:45	Writers' Workshop	The teacher will provide writing lessons that will guide the students as they make meaning in their drawing and writing.
10:45-11:15	Choice Time/ Reading Groups	Students practice social skills as they interact with classmates in free-choice play in a variety of classroom centers. This also allows time for the teacher to provide reading instruction to small groups.
11:15-11:30	Clean-up/ Closing Circle	Students learn to work cooperatively to clean up and take responsibility for their classroom. We end the day by focusing on social/emotional learning and with prayer.
