Honors

Undergraduate students who meet the academic criteria of their school or college during a semester are placed on the permanent honor roll (known as the Dean's List) for that semester.

Undergraduates and students in the MD, DDS, JD and Pharm-D programs who meet the criteria of their academic program will be awarded their degree with Latin honors (Summa Cum Laude, Magna Cum Laude or Cum Laude). Generally, Summa Cum Laude is awarded to the top 5% and Magna Cum Laude to the top 10% and Cum Laude to the top 20% of the graduating class.

UMKC awarded the top 20% of the Graduating class (excluding graduate level students) their degree "With Distinction" until June 2004.

Grading Practices

UMKC has used the 4.0 grading scale since Fall 1966. Consult the UMKC Office of Registration & Records for grading explanations prior to 1966.

UMKC began using plus and minus grading suffixes in Fall 1993. Prior to 1993, only the Law School used plus and minus suffixes. Grades with a plus are given three tenths (0.3) additional quality points per semester hour and grades with a minus are reduced by three tenths (0.3) quality points per semester hours. The plus and minus suffixes are available on grades "A" through "D" except that the "A+" is only approved for use by the School of Law.

Grades preceded by the letter "R" indicates the course was repeated. The original grade is not used in computing cumulative hours or grade point average. All courses completed by undergraduate students since 1985, including repeated courses, are used in calculating cumulative hours and GPA.

Grades preceded by the letter "X" indicate the course was forgiven by the Faculty in accordance with the UMKC Academic Amnesty policy and that the course is not used in computing cumulative hours or GPA. Amnesty is available to undergraduate students only.

Doubled grades, such as AA, BB, CC, DD & FF indicate that the course is not used in computing cumulative hours or GPA. The course associated with the doubled grade is not applicable to the student's program of study.

Beginning in the Summer 2008 term, the School of Medicine changed the scale by which grades for clinical rotations are reported. The following scale is used.

HP	High Pass
SP	Satisfactory Pass
MP	Marginal Pass

Term and Summary GPA and Credit

The University of Missouri cumulative GPA is considered the official cumulative GPA. It includes the course hours and quality points from all courses attempted at any of the University of Missouri campuses.
