

Principal's Message

A word from Mrs. Bryant

After thoroughly evaluating parent feedback in last year's Parent Survey, teachers have been working on some goals for this 19-20 school year.

One of those goals is to build a more positive school culture. While we have a very strong academic curriculum, there are specific traits that are easy to forget when we think about educating the whole child. We've highlighted seven different categories that we wish to see emulated in our students at Rogers. For the months listed below, we'll be highlighting these specific traits:

- October:** Self Reliance/Grit
- November:** Courtesy and Manners
- December:** Reverence/Respect
- February:** Unselfishness/Thoughtfulness/Empathy
- March:** Cleanliness/Neatness
- April:** Truthfulness/Honesty/Integrity
- May:** Responsibility/Self Control

There will be both all school and single classroom activities to reenforce these themes. Additionally, we encourage our families to partner with us as we work together to teach our students how to be responsible, empathetic, respectful kids!

Grandparent's Day, 10/14/19

Grandparents/Special Person's Day is coming up! On Monday, October 14, we honor the individuals who support our students outside of their immediate family.

Students are encouraged to invite their grandparents to a special program and free lunch at Rogers. If a student doesn't have a grandparent available, they are welcome to bring another special person - aunt, uncle, close family friend, etc.

This year, we'll all meet at 10:30 a.m. in the WWVA auditorium for one big group presentation. This is a new idea for our grandparents and we're excited to showcase our talents!

All visitors are given a free lunch. Students may purchase a lunch or bring a lunch, as their usual process.

Please let your teacher know how many grandparents/special people (up to 4 per family) will be attending so we know how to plan for food amounts. Watch for a form coming home.
