*I have a pair of rosary beads  
as plain as plain can be,  
and only God in heaven knows  
how dear they are to me.  
I have them always with me  
every step I take,  
evening when I slumber,  
morning when I wake.  
And when the time approaches  
and I shall have to die,  
I hope my pair of rosary beads  
will close beside me lay.  
May the holy name of Jesus  
be the last words I say,  
Kissing my sweet rosary beads  
my soul shall pass away.*
