

Principal's Message

A word from Mrs. Bryant

On Tuesday, November 5, there will be no school to accommodate conferences. RAS offers two options for parents and students in this important communication between home and school.

Two options for conferences:

1) Attend our student led conferences from 11:30-1 or 5-6:30 on November 5. Your child will lead the way!

2) Schedule a private conference with your child's teacher any other time during that day. Contact the teacher directly and they'll be happy to schedule a meeting.

Thank you for partnering with us in your child's education!

A new option this year is the eWallet. The eWallet is a secure, cash-free, digital payment option. Parents can create a free account for their student and set a spending limit for students to shop the in-school book fair. If you choose this option, please let your students know that they have money waiting for them when they come to buy books and they must let the cashier know that they have an eWallet.

Bible Studies are back on!

Starting Friday, November 1

5th-8th grade students are invited to participate in Bible or baptismal studies this year.

Lauren Heinrich, interim Children and Youth Pastor at the WWU Church will be working with small groups to learn more about the Bible and baptism.

Studies will start on Friday, November 1 at 12:15 (right after school).

7th Grade Vespers - 10/25, 6-7:30

Sponsored by the Acker Family

7th graders and their families are invited to a vespers program at Addison Acker's home at 390 E. Langdon Road in Walla Walla. There will be smores and hot cider. Bring a lawn chair or a blanket to sit on, along with a sweatshirt as it will be an outside event.

Ski Days, 2020

Put these dates on your calendar!

January 10, 17, 24, 31 for our optional Ski Bluewood Program. Students who choose not to participate will have fun alternatives back at RAS.

Family Groups

Today's Family Groups was led by 8th grader Ruvimbo Taruwinga. Mrs. Cosaert's class led worship songs. Additionally, we enjoyed some classroom presentations on substance abuse, some scripture recitations, and an awesome skit written and performed by 8th graders.

Finally, each class was invited to the stage for a round of applause on their choice to live healthy lives, free from dangerous substances.
