CALLING ALL PRAYER WARRIORS: PRAY WITH THE UCC PRAYER TEAM!

This week we want to pray for the Wenatchee church. They struggle with the confines of COVID which makes it hard to be the loving and encouraging church they are. Joe Savino is the pastor there and he greatly appreciates your prayers as well as prayers for the following:

- Pray the members can find creative ways to show they love and encouragement to each other and their community.
- Pray for our young people who are studying for baptism
- Pray for our school, CCA, as they navigate during COVID.
- Pray for God to grow more leaders, of all ages, in our church

Please also remember to pray for our UCC leadership team that God will bless them each day with His vision and path for us.

Let us pray this verse together this week as well:

"Love is patient and kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrongdoing, but rejoices with the truth. Love bears all things, believes all things, hopes all things, endures all things." 1 Corinthians 13:4-7.

A YEAR OF ANXIETY: MANAGING ANXIETY AND STRESS SEMINAR - 2020 has been one of the most stressful years in recent history. Many of us struggle with fears of the unknown, and lack of control. In addition to counseling, and in some cases, medication, there is research that shows that lifestyle and nutrition can profoundly affect how we manage anxiety and stress. Additionally, lifestyle and nutrition can help improve the effectiveness of counseling and medication. On November 19 at 6:30 p.m. the Otis Orchards Seventh-day Adventist Church is hosting a virtual presentation that will focus on simple lifestyle and nutrition tips for improving mental health for anyone. This is a live-stream event. There will be no in-person audience. Register now at www.healthforlifepostfalls.com/register-online-1.
