My Memories

Dear Mother, Oh Mutti I Miss you so much!
The Angels are singing with Dad at the lead
I'd love to have been there to witness the joy
As all of our loved ones welcomed you there.

From childhood to adulthood you brought us up right Good behavior you taught us which helped us throughout Family Memories and Traditions will keep us afloat We Thank you for showing what life is about!

As a child in Germany, Christmas Eve was the best. A knock on the door! St Nick would appear but then came Ruphrect, his sidekick Oh No!
In a dark hooded cloak with his switch in one hand With a Bag for the Naughty, We hoped we'd been good!

Watched hardly no TV and Sundays took Walks Played board games and card games and playgrounds galore!

Our favorite is Eating! We do it so well!
Oh my...look a bratwurst and bakery we found
Then 2 hours later and sometimes just one
We go find another, we had to compare!

Our travels I'll cherish Will never forget!
Just one more year... I wish I could get.

Mom in the kitchen was such a good cook
Her cookies, her bread and scones did not last
But then she made something that made us all Cringe Her borscht she made once and Never again!

You taught me so much on how to treat people
You taught me to work which wasn't too easy
You showed me the Music The Theater The Plays My love for the Musicals ... will always be there!

Were not the Von Traps, but that doesn't matter! We sing with such gusto, it has to sound good
The piano I dreaded so thankful I learned
Family songs is tradition that stays with us now!

I love you so Dearly, how can you be gone?
Big hugs to our Papa my family and friends

I Thank you for Everything... My Mutti my Mom
