## *Stars*

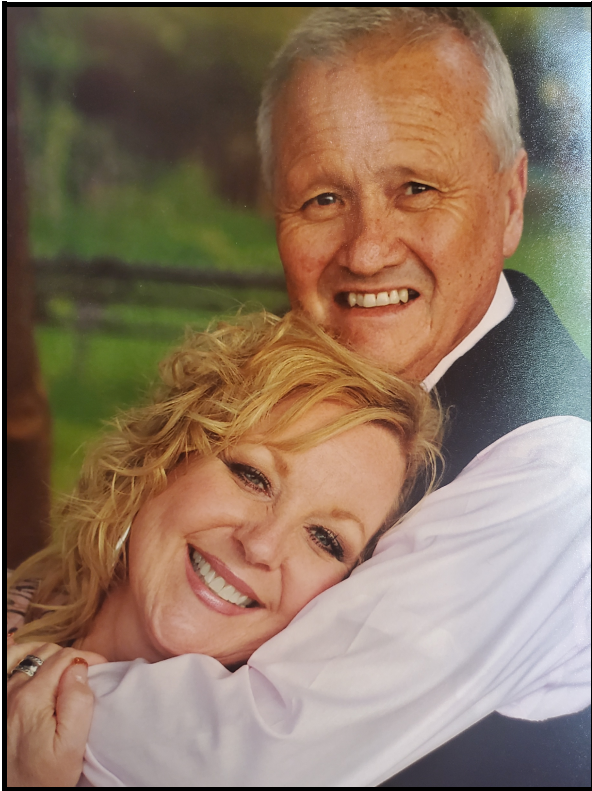

*by Sarah Teardale*

*Alone in the night  
One a dark hill  
With pines around me  
Spicy and still.*

*And a heaven full of stars  
Over my head.  
White and topaz  
And misty red:*

*Myriads with beating  
Hearts of fire  
That acons  
Cannot vex or tire:*

*Up the dome of heaven  
Like a great hill.  
I watch them marching  
Stately and still.  
And I know that I  
Am honored to be  
Witness of so much  
majesty.*
