## **MEMO**

**To:** Pastors, Churches and Head Elders

**From:** Administration

**Date:** November 25, 2020

**Re:** Current Church Guidelines

---

In light of recent COVID-19, we want to remind you to be very judicious with church gatherings. Therefore, the Conference Administration is making the following request of all Arizona Conference churches:

**In order to remain open we encourage you to strictly follow these requirements:**

1. Six feet of physical distancing at all times
2. Face coverings
3. Proper sanitation of commonly used areas
4. No handshaking
5. No congregational singing

If unable to follow these guidelines we strongly encourage churches to remain close for the month of December until further notice.

Conference Administration will continue to work with State and County officials and monitor the situation regarding when it is safe to reopen our churches without restrictions.

Thank you for working with us to ensure the safety of everyone during this challenging time.
