

To: Box League/Ladder Directors

From: Squash BC

Squash BC has worked with our insurance providers to enhance the coverage to our individual and club members. As you are probably aware, Squash BC insurance covers athletes and organizing committees when they are participating in, practicing for and/or organizing a sanctioned event.

The insurance company has allowed us to add to our sanctioned events, club box leagues and ladders as long as the following items are in place:

- The sanctioning form must be filled out by each club who wants to sanction their box league/ladder.
- Injured players in the box leagues/ladders must be members of Squash BC one month before the injury occurred.
- There must be a history of play in the ranking system of the injured player.
- All matches must be entered into the Squash BC ranking system, (Sporty HQ) especially the last one!

Please complete the form below and email it to office@squashbc.com or mail it to our office address:
4867 Ontario Street
Vancouver, BC
V5V 3H4
Attention: Coordinator, Member Services & Operations

Regards,

Nancy Thompson
Executive Director
Squash BC
