Quotable Quote

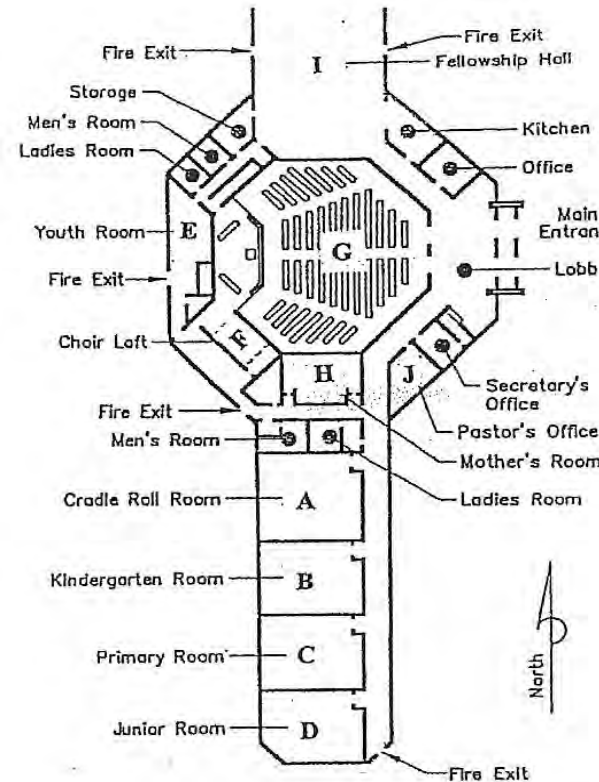

Many of the professed, peculiar people of God are so conformed to the world that their peculiar character is not discerned, and it is difficult to distinguish “between him that serveth God and him that serveth Him not.” God would do great things for His people if they would come out from the world and be separate. If they would submit to be led by Him, He would make them a praise in all the earth. Says the True Witness: “I know thy works.”

Welcome...

We are glad you came to worship with us today. To get the most out of the worship experience, we recommend you use the **Welcome Card** located in front of you. It will help us become better acquainted and let us know if you have special needs. These may be put in the offering plate or left with the greeters. If you have praise or prayer requests, these may be brought forward at prayer time. We hope your time with us deepens your understanding of God, and encourages you to pursue Him in your daily life.

A newborn baby is wrapped in a soft, blue, textured blanket. The baby's face is partially visible, showing their eyes and nose. Two hands are visible, one near the baby's head and another near their chest, suggesting they are being held or supported. The background is dark and out of focus.
