

God saw that she was getting tired  
and a cure was not to be,  
So He put His arms around her  
and whispered, "Come with Me."

With tearful eyes we let her go  
and saw her slip away,  
Although we loved her dearly  
we could not make her stay.

A precious heart stopped beating,  
hard working hands now rest.  
God breaks our hearts to prove to us,  
He only takes the best.
