Thoughts From Today's Sermon

In this morning's sermon we are reminded that the gospel of Christ is the power of God unto salvation. Jesus came that we might have life, and life more abundant, and life everlasting. But there is one condition upon which it bestows its power. It is the power of God unto salvation "to everyone that believes." The question we need to seriously ask ourselves, "Do we truly believe?" To the degree we believe, will determine the kind of Christian we are, and to the degree we believe as a church, will determine the kind of church we are.

Mission Statement

We accept the ministry given to us by God: to bring the healing power of Jesus' love to people, and to provide a nurturing place to build a friendship with Him.

Welcome

A heart felt welcome to our church family and guests on this beautiful Sabbath morning! We are delighted to have yet another opportunity to come together in God's presence. We have every reason to be here, to praise and worship the only One who is deserving of our adoration. May we all find in Christ our heart's desire, and in our song, our prayer, our listening and our fellowship, the transformation of His amazing grace.

A fellowship meal **with our guests in mind** has been planned for immediately following the worship service this morning. This is an opportunity to get better acquainted and enjoy the love that God has put in our hearts for one another. Everyone is welcome!
