

GUIDELINES FOR GRAND MARCH

Full Dress Uniform Class A and Flags: American Flag, Pathfinder Flag and Club Flag (including Guidons) are required (if you have them) for the parade. The parade will start at the allocated time. Directors please follow the schedule.

1. Line up number for the parade will be given to the Club Directors at the time of Registration. Club Directors or Drill Instructors should hold up their "Grand March Line-up Number" so that other clubs can more easily line up in their appropriate positions. (This number will be assigned to you a few days after date line).

2. Keep approximately 25 feet distance behind the club that you are following. This will give a better opportunity for your club to receive their due recognition.

3. Make your corners look sharp. Stay in step. Remember, **there will be judges who will be qualifying all these movements.**

4. Your club line-up should be in the following order:

- Club Director (in front of the Pathfinder Club)
- Club Name / Banner
- United States (right side of the column)
- Pathfinder Flag (in the middle)
- Club Flag (left side of the column)
- Guidons (in front of each column)
- Staff and Pathfinders

5. Director: Be sure to salute as you pass the Reviewing Stand with the Conference Youth Director. Only the Club Director should salute. "Eyes RIGHT" should be given just before your club reaches the Reviewing Stand, and "Ready FRONT" should be given just after your entire club is past the Reviewing Stand see "Saluting at the March-Past" and "Eyes Right on the March" from the Pathfinder Drilling and Marching Manual, pgs 35-36).
