

October 9, 2020

Dear Parents,

We have been talking about the fall of man in Bible! We talked about the steps leading up to the fall of our first parents. We, also, talked about temptation and looked for verses that could help us with temptation. Maybe, this weekend you could talk to your kids about what you do when you are tempted. Ask them about the potato chips!

Parent/Teacher conferences are at the end of the month. You will find a schedule attached to this newsletter. Please choose three top times. We will try our best to assign your top choice. Just remember, the sooner you get your times in the better the chance of getting your 1st choice. This year we are all meeting as faculty with families. We will not be having separate conferences. Since we are all working together, we are conferencing together. We are also offering Zoom conferences to those families who prefer virtual conference. Just look on the appointment sheet to see when.

Mrs. Simpson (the original) has been working on updating all of our records. An email was sent out last Friday to those families who are missing items. All outstanding forms are due by the 14th of October. If you are not sure what you need to hand in please contact Mrs. Simpson (the original) We would also like most up to date immunization record in our files. If you can get the most up to date immunization forms to us it would be appreciated.
