Sept. 23 See You at the Pole

HOT LUNCH MENU 9/14-9/17

Monday	Macaroni & cheese
Tuesday	Haystacks
Wednesday	Spaghetti
Thursdays	Pizza, salad and applesauce

OCEAN STUDY

We have had a great time this week studying the edges of our world's oceans – beaches, tide pools, and cliffs – and the animals that live there. Within the theme, we have practiced counting, identifying numbers 0-10, and our uppercase alphabet. We have examined all types of shells and compared their textures, shapes, and functions. We practiced being crabs and worked on our fine motor control by using pinchers (tweezers) to move items around.

Next week, we will focus on mammals of the ocean and talk about the cold waters nearer to the poles.

CLASSROOM ITEMS

- Please send your school photo order form and payment back to school by Tuesday, Sept. 15 (the day pictures will be taken). Photos will be taken in the morning that day.
- If your child is purchasing hot lunch, please remember to still send a morning snack for that day.
- We do our best to encourage your child to finish their lunch each day, starting with their entrée, fruits, and veggies. Please send a utensil if their lunch requires it.
- Birthday celebrations: If you would like to provide cupcakes or another treat for your child's birthday, please arrange it with me ahead of time. We can share them together outside after lunch or at 2:30 pm.
- If your child is missing an item of clothing in their extra set to be kept at school, you will have a note attached to this requesting that it be sent. We have to change clothes for a variety of reasons and want your child to be comfortable while at school. 😊
- I have signed up for a parent communication app called Remind. Many of you have already joined our class through an invite sent to your phone number. If you have not signed up yet, please accept the invitation, or text @svaepk to the number 81010. Messages sent through the app will show up via third party phone number.

"The word 'education' comes from the Latin 'educere' = e- (out of) + -ducere (to draw). Education is not just about putting information in. We have forgotten that it, in fact, begins in the child's heart." ~ Vince Gowmon
