

I love you with all my heart, dad.
Love, Tarah

I pray that God will give me strength
And somehow get me through...
As I struggle with the heartache
That came when I lost you.

I know you can feel my tears
And you don't want me to cry,
Yet my heart is broken because
I can't understand why someone
So precious had to die.

I wish I could see you one more time,
Come walking through the door...
But I know that is impossible,
I will hear your voice no more.

When I Lost You

Sweet memories remain of him, ones
that will not end.

Father and to friend.
And now it's time to say "Goodbye" to
all told me that it's true.

His eyes, his touch, the things he did
Yet, deep within my heart I know that
love was really there.

He felt it not the manly thing to do.
in words I can recall.

He never said, "I love you,"

Dad
