## The Genesis Plan Before Sickness Began

Most Americans would rather die of disease than live to a ripe old age. That's why 72% of deaths in the U.S. are by disease; 91% globally. Strange, since God promised that He will lay none of these diseases on those who keep His commandments. Apparently, His commandments are not being kept. In fact, most people don't even know God's health laws.

In this program you will learn God's health laws in an in-depth study of Sacred Writings. They are not hidden. They are in plain view. But they are overlooked, even ignored because of false doctrines. When you study the Bible as thoroughly as you will in this program, most are surprised at how God has tried to protect us.

If you think disease is unavoidable, is inevitable, this program is not for you. But if you want freedom from sickness from even the common cold and flu and stomach upset, let alone the killer diseases, this program is for you.

### Come and Learn!

**Every Monday night starting January 21 for 7 WEEKS  
from 7-8 PM in the Fellowship Hall**

**PLEASE call to pre-register by January 17 at  
909-797-1375**

### EXCITING TOPICS!

**Jan. 21 - *God's Desire, the Highest Motivation to Get Healthy and Stay Healthy: It's not fear of death. It's not fear of disease. It's higher.***

**Jan. 28 - *God's Health Program! In one night we fix all the health problems in the world. Well, almost! This one hour replaces a dozen lectures.***

**25. FROM THE LIBRARY: Revelation's Finest Hour.** All the prophecies in the book of Revelation point to the greatest event in earth's history, the Second Coming of Jesus Christ. Supplement your understanding of this quarter's study of Revelation with the wealth of books available in the church library.
