

# CAMPAIGN FOR COMMUNITY REVERSION FORM

## PRESENT THIS AT YOUR CHURCH BOARD FOR ACTION.

Your church is eligible to receive an appropriation (called “reversion”), once the year is over, equal to 50% of the funds collected by your church members during its annual Campaign for Community fund-raising drive.

Your church board needs to decide annually how the funds will be used. Please mark the options below and return this form to the Mountain View Conference office. Once we receive this form, we will release reversion funds as soon as possible.

**Please note:** If your church would like to contribute part of the reversion to the Conference Community Services/Disaster Relief Fund, it would be most appreciated. Please mark option two.
