Adventist World Aviation (AWA) is expanding their mission base in the Philippines by constructing a 2000 foot airstrip to land their Pathfinder airplane that will be used for the Palawan mission base. Your kind donation of \$25 will cover the cost of one foot of airstrip. \$50,000 is needed to complete it. AWA is also in need of a good reliable vehicle for their visiting volunteers and missionaries to use while they are in NC. If anyone has a reliable vehicle to donate it would be a big blessing. To help or for more info about these projects, please call Doreen Stocker at 919-938-2920.
