

How to register and join your FreshWater Watch Community Group

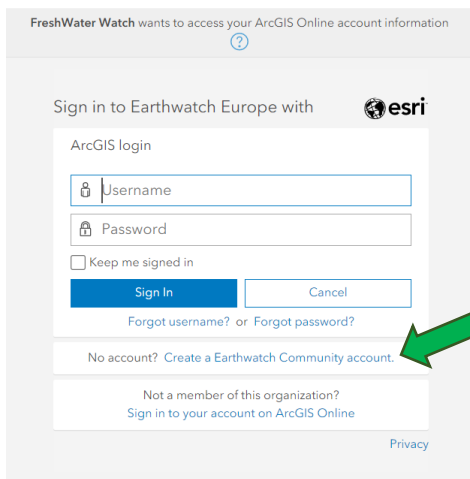

There are two quick and simple registration steps that new members need to follow:

STEP 1: Create an ArcGIS account with esri

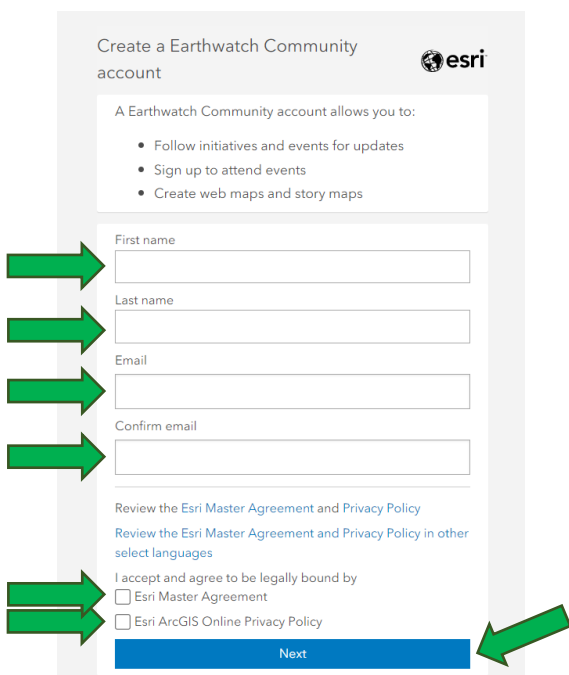

- Visit www.freshwaterwatch.org and click on 'Sign In' at the top right of the homepage.

- A small grey pop-up window will appear. Click on 'Create a Earthwatch Community account'.

- Another pop-up window will appear. Complete all fields, select the two tick-boxes, then click 'Next'.

- You will receive an account activation email from 'ArcGIS Notifications'. Click the activation link.
- An account set up form will appear. Complete all fields, then click 'Create account'.

Set up your Earthwatch Community account 

Username

The username must:

- Be between 6 and 128 characters in length
- Not include special characters other than . (dot), _ (underscore), @ (at sign), and - (hyphen)
- Not include a . (dot), - (hyphen), _ (underscore) or @ (at sign) as the first or last character of the username
- Not include spaces

Password

Retype password

Security question
 Select one

Answer

This completes the esri registration process and you can now sign in with your ArcGIS login details.

STEP 2: Join your FreshWater Watch group – Sustainable Enniscorthy - Slaney

- Once you are signed in, [click on this joining link](#) to access the Private Group Registration Form.
- Select the two tick-boxes and click the green Submit button.

Private Group Registration

Thank you for your interest in joining the FreshWater Watch group:
