

*Life is a journey...
Surrounded by Love*

What My Aunt Meant To Me

Aunts have no wands or wings,
So they work with wisdom, love, and things.
Having taken on the role,
You loved me right down to my soul.
You offered kindness,
And greetings with a hug and kiss,
Each freely out of love,
Which I will miss.
I chose a twinkling star in the sky at night,
To say prayer for you to its bright light.
You're in God's Heavens now and no longer in pain,
In my thoughts, you always remain.
How lucky I was,
How blessed I've been,
You were more than my Aunt,
you were also my friend.
Thank you for supporting me.
I'm going to keep your promise
as you are looking down at me
to be that person I want to be!
