-Darrell, Bill & Jacey and the Girls-

Susie "Karen" Schneibel, 68, went to be with our Lord Jesus Christ on Christmas Eve., Dec. 24, 2023, after a short hard-fought battle with her cancer disease.

Susie was born in Rugby, ND on March 18, 1955 to Robert and Marlene Jorgenson. She grew up on the family farm, graduating from Rugby High School in 1973. She went on to work at Johnson Clinic as a nursing aide and also helped grandma Dora as a waitress at McQuire's Café in Rugby. She then worked for Merchants Bank as a teller.

It was 1975 at Darrell's cousin's wedding that began an amazing love affair which involved dancing the night away. Dancing continued on a weekly basis from then on, sometimes two or even three nights a week. Susie and Darrell got engaged on February 14th in 1976 and married on June 11, 1976. In July, 1986 Susie and Darrell adopted a gorgeous little girl and named her Jacey.

In 1977 they settled in Bismarck where Susie worked at a bank now known as Wells Fargo. She then worked for about half a decade at Dayton's Department store, all the while envisioning an enterprise all her own. Following her dream, Susie built her business, Suzy Homemaker from her compassion of caretaking, whether it be children or elderly. All of the clients she served through the business have become very dear, close family. Her caretaking ambitions went on to include everything from cleaning and laundry to lots of cooking, baking and meal preparations.

Then in 1994 a beautiful little girl named Kimmy (Layman) was born and just by happenstance Susie found herself with a new title: Nanny. Fulltime nannying was very fulfilling and gratifying for her. This time was the highlight of Susie's career. Her involvement with four different families as a nanny in addition to her previous activities with Suzy Homemaker cultivated very close and dear family friends.

Susie also took much pleasure in travel, her latest was to Israel with the church group which she looked forward to for

Goodbye Grandma

Grandma, we will miss you in all that we do.

No one can ever take the place of you.

All of our memories we will hold very near,
And we'll feel your comfort with every tear.

You taught us about Jesus, courage and love.

So please be proud Grandma,

As you watch from above

You touched so many lives along your way.

And each of us here says "thank you" today.

Each night we will look for your star in the sky,

Until we meet again, Grandma-for now,

Goodbye.
