THE LIFE AND LEGACY OF *Barbara J. Brown*

Barbara Jane Brown, of Las Vegas, NV, just 59 years old, died unexpectedly on January 9, 2022. The family is deeply saddened by her sudden death. She was born on April 22, 1962 in Brinkworth, England and resided in Northern California with her husband John H. Brown Jr. for the majority of their married life and relocated to Las Vegas in 2018. She is survived by her husband of thirty-two years John H. Brown Jr., her children, sisters, Shirley Mitchel, Kitty Baker, Patricia Symon, and Brother Robert; Her children, host of Nieces & Nephews, and numerous cousins as well as her extended family and an abundance of friends. Preceding her in death was her father, Clarence Mitchel, mother Violet Mitchel, and her brother. We will all miss her more than words can say.

Barbara grew up in Brinkworth where she completed her education to become a nurse and worked as a pediatric nurse. Barbara met John in Swindon, England and they were married...August 3, 199. They resided in Swindon initially and relocated to California. Barbara loved to cook, she enjoyed teaching her nieces to cook, and she loved to sew, clean, watch television, and love on her family. She loved to listen to music and spend quality time with her friends and family. She had a beautiful smile and laugh and would always make you feel welcomed. She would do anything to make you feel better and was the family nurse. Anyone that truly knew her, knew she had such a big heart. She'd give you anything even if it wasn't hers to give.

Anyone who knew Barbara was touched by her kindness, humor, and mild temperament. She was truly a peacemaker and was always a source of positivity. She loved fiercely and deeply, and we take comfort in knowing that Barbara is now at peace surrounded by light.

"We lost a special one with Barbara, she saw the magic in all things and was able to put words to it. Her warm demeanor was infectious and her laugh, a comfort to the ear. Her drop has rejoined the ocean, our dear traveler has returned home." - Joël Brierre

Perhaps you sent a lovely card or sat quietly in a chair. Perhaps you sent a floral piece, if so, we saw it there. Perhaps you spoke the kindest words, one could ever say. Perhaps you weren't there at all but thought of us someday... Whatever you did to console our hearts, we thank you so very much, for whatever your part.
