

Take The Time

*By
Deo C. Johnsen*

*What do you think about on a summer's morn?
That makes you thankful that you were born.*

*To see the wonders of this world,
That in the Heavens were unfurled.*

*The singing of a little bird,
Tells us more than a spoken word.*

*The swaying of a single tree,
Reminds us how great it is to be free.*

*The fragrance of a beautiful flower,
Makes us grateful for every hour.*

*The smell of new mown blades of grass,
Repeats the fact, that time does pass.*

*The rushing of a clear, cool stream,
Tells us to enjoy some beautiful dreams.*

*The floating of a cloud in the sky,
Brings to our mind, just how and why.*

*The yellow, bright moon that shines in the night,
Gives to us the comfort of light.*

*And all the beautiful, Twinkling stars,
Including the planets and one called Mars.*

*How thankful we are for the warmth of the sun,
To make things grow, and enjoy some fun.*

*All in all what we must see,
Is our Heavenly Father created you and me.*
