New Feature:

ASK THE PRINCIPAL

If you ever have one of those random school-related questions and you just want to know “WHY”, well just Ask the Principal!

Q. Why do the Parent Alert Text messages never have any punctuation?

A. Some might think it is because Mr. I never learned to use commas, but there is a better explanation: Our RenWeb messaging program will default to an error if we add any characters that are not letters or spaces. So @#^*%&;”’,./ and the villainous “!” are all not used in those text alerts.

Q. Why did we have to change the pushbar on the front door, so it is harder to lock open?

A. With the install of the remote release for the front door (yes, Ms. Deno can buzz you in now...) the new release crash bar doesn’t support the lock open functionality, so we work around it.

Q. Who maintains the field at school?

A. We have a dedicated volunteer who comes in and maintains our grass. Mr. John Lehman mows the lawn, fills holes, trouble shoots the sprinklers, and is indispensable. If you see him riding the mower or shoveling dirt, be sure to give him a huge “Foothills Thanks”!

Q. What do teachers do before school starts? (2nd grader question)

A. We meet in the staffroom for worship. But that is also the time when we devise new ways to torment, er, I mean teach our students!

If you have a question, or you just “want to know” something, feel free to let Ms. Deno know and she will pass the question on for future answering. If the question is about world peace, I got nothing...

Robert Ingham

Healthy minds, healthy bodies, healthy relationships—living for Jesus.

Dear Foothills Preschool Parents,

This week's lesson encourages us to "get good rest, to feel our best." Our worship story is based on 1 Samuel 16:23. The story of King Saul and David reminds us that if we do not get the rest that we need, then we become grumpy, so we need plenty of rest. The children will learn how David helped King Saul get rest by playing calm music on his harp. We will discuss how different types of music can make us feel different ways. Our memory verse is "In peace I will lie down and sleep." Psalm 4:8 NIV. Our memory verse reminds us that we are in God's hands and with all that is happening near and far, we shall have peace because God is in control. We are able to rest in His everlasting arms, this assurance and trust enables us to rest without worry.

Little Frogs and Little Owls

Language-Swat the Letter Sound: m, t, s, d, o (Little Owls)

Art-Nature Wreath

Culture-Jingle Bells: Learn rhythm using bells and the country of origin: England

Little Turtles

The Infants and Toddlers will continue to play with manipulatives to build their hand-eye coordination, fine and large motor skills. They will enjoy various finger plays and read short stories from their in-class library. Their sensory play will include an art project that aligns with their weekly theme.

We are disappointed to inform you that this will be Ms. Jade's last week. We have been blessed to have her as part of our school family and wish her the best in her future endeavors. Thank you Ms. Jade for providing care and love to our students and families. You will be missed.

In His Service,
Julieta Whiteside
Director
