### Elegy For A Loved One

In one corner  
Of this dark and dreary world,  
A glowing candle brightened  
All that it could reach  
Disclosing to a privileged few,  
The loveliest of dancing shadows.

Suddenly,  
The flickering light was gone;  
For just an instant darkness reigned,  
With sorrow as its queen.

Then once again the candle flamed,  
Rekindled with a brilliant  
And eternal light.

-Nancy Woodruff  
(Sister to Sally)
