

Offering Call

Sabbath, March 23, 2019

The offering today is for **Conference Advance**. This monthly offering supports ministries that impact our entire field. Giving to Conference Advance finances Adventist education through our scholarship program, evangelism, Broken Arrow Ranch, and youth and young adult ministries. Our united efforts help advance God's kingdom in these vital areas. Any loose or undesignated offering you give today will support Conference Advance.

We are also asking you to give to a **special offering today** to provide relief to those affected by the recent flooding in Nebraska. Whatever you give today will first help our brothers and sisters who were impacted by the floods, then those in the affected communities around our churches. Please mark your envelope or your on-line giving as **“KS-NE Disaster Relief.”**

Thank you for your willingness to partner with each other and with God to advance the Gospel in our Conference as well as help those in immediate need.
