Singaporeans & Singapore PRs in Financial Services

Employers connect with top Singaporean talent at eFinancialCareers virtual event

On July 21, eFinancialCareers held a Virtual Career Event – **Singaporeans and Singapore PRs in Financial Services** – designed to help companies to connect local candidates.

The event provided recruitment representatives from leading organisations in the finance sector with unique access to hundreds of Singaporean professionals at the pre-application stage. The recruiters were able to chat online with professionals across a variety of sought-after functions – including private wealth, technology and compliance – and bring them forward for interviewing, pipelining, or screening.

In this report, we review the success of Singaporeans and Singapore PRs in Financial Services and look at the key reasons why it added value for both employers and candidates.

Leading employers showcasing their jobs and brands to Singaporean talent

The event attracted **14 leading organisations**, who showcased their employer brands and job opportunities via company booths. Candidates got the opportunity to chat with recruiters from these companies on the same day. **More than 800 completed chats** were registered during the four-hour event.

Large numbers of skilled finance and tech professionals

More than 700 professionals attended"

More than **700** professionals in Singapore attended the event, all keen to find out more about the participating companies, explore their virtual booths, and apply for the featured jobs that were uploaded on our virtual platform.

1-2-1 chats prescheduled on our platform

Candidates' profiles were shared with the attending top employers in advance for them to be able to send chat invites to the candidates who matched their jobs criteria. By doing so, candidates knew which companies they were going to talk to and could prepare for their 1-2-1 chats in advance.

Candidates could also browse and apply for the open positions that each company posted within the virtual environment.

Broad skill sets

The virtual career event gave employers access to Singaporean professionals across a wide range of in-demand roles. Some of the most popular job functions for attending candidates were:

- Accounting & Finance
- Private Banking/ Wealth Management
- Technology
- Information Services
- Operations

Wide range of experience levels

Exclusive interview

Candidates got inspired and heard valuable insight on careers in financial services from

Positive feedback from candidates

- “The virtual career event was more convenient and effective than an "in person" event. Very well planned and user friendly.”
- “Excellent interface to meet the HR team of different companies instantly and collaborate effectively.”
