The risks include, among other things: slips and falls; drowning; it is possible that participants could be injured if they come into contact with other equipment; injuries can be sustained from the equipment; major injuries are a risk as are bruises, sprains, musculoskeletal injuries including head, neck, and back injuries; injuries to internal organs; loss of fingers or other appendages; the negligence of participants, or other persons who may be present; travel in remote areas; exposure to the elements of the outdoors and natural surroundings which could cause hypothermia, hyperthermia (heat related illnesses), heat exhaustion, heat stroke, sunburn, dehydration; transmissible pathogens or diseases; and exposure to potentially dangerous wild animals, insect bites, and hazardous plant life; further, accidents involving watercraft; collision with fixed or movable objects; accidents or illness can occur in remote places without medical facilities and emergency treatment or other services rendered; the machine itself may fail; and accidents can occur getting in or out. They might misjudge the weather or other environmental conditions. They may give incomplete warnings or instructions, and the equipment being used might malfunction.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against CBND on the basis of any claim from which I have released them herein. I also agree that this document is valid for subsequent visits and participation at CBND. I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms.
