Key Concept for Spiritual Growth

The seal of God is a whole process that involves the work of the Holy Spirit confirming that we “trusted. . . the word of truth” (Eph.1:13) This means that the seal is not a magical and arbitrary badge. As with circumcision or baptism, the seal of God is a sign of the covenant between God and His people. This sign reflects an internal state of holiness and relates to the life of faith. This sign is seen in the hearts of God’s people, in the intimacy of their thoughts and sentiments; it speaks about their love for God. It is seen in the dynamic of their actions, which expresses the genuineness of their responses to God.

Trusting God Dealing With Doubt

Don’t dig up in doubt what you planted in faith.

Elizabeth Elliott

The challenges we experience test our faith in God. It is tried in the furnace of affliction, and hopefully comes out strong and imperishable. Doubt, fear, and worry are all part of the opposition. With opportunity comes opposition. (1 Cor. 16:9) Paul said that when he wanted to do good, evil always came (Romans 7:21). We don’t have to let it defeat our faith, but it will come! People may oppose us and circumstances will oppose us. We should “**watch and pray**” as we are instructed in God’s Word to do.

Don’t let doubts rob you of your inheritance from God.

Tune Out Noise:

Share a story about something good God has done for you.

Think about a past challenge you faced and how God was faithful to you.

Remembering God’s faithfulness makes it more difficult to doubt God. We may feel doubt sometimes but tune it out and consider the source.

*Faith and trust are for the times in life when we don’t know what to do or have no resources of our own. **Jesus is not only the Way—He is also our Source! There is nothing any of us will ever need that He cannot provide.***
