

# COLLEGE HEIGHTS CHRISTIAN SCHOOL

## SERVICE PROJECTS & LOCAL ACTIVITIES/FIELD TRIPS

**2018/2019**

This year we will again be enhancing our program by offering service project activities in the school, on the hilltop and in the local community, creating opportunities for teachers to lead their students into a deeper, practical discipleship-relationship with Jesus.

Also, throughout the school year opportunities arise for teachers to take their students off campus for local activities and field trips such as nature walks, prayer walks, PE walks or runs. Off campus includes the pond, Burman University down the street, Royal Oak Manor, etc. Our campus includes the playground, parking lots, back hill facing the pond, and side hill facing the church.

**Please complete this form** to indicate whether you are or are not willing to have your child participate in service projects (usually during school hours) and/or local activities/field trips where they may need to travel into Lacombe or off campus. We will attempt to contact parents/guardians with more specific information each time their child leaves the school grounds, but would like a blanket written permission slip for participation throughout the year. For some service projects like "Meals on Wheels," students are likely to go in small groups of 3 to 5.

We welcome your suggestions as we get more involved in the community and in helping others.

### PERMISSION SLIP

Student's Name: \_\_\_\_\_ Grade: \_\_\_\_\_

Student's Name: \_\_\_\_\_ Grade: \_\_\_\_\_
