Prayerful Thought

"Friendship may be the only form of human social relationship that is made strong by kindness. . . . A person may continue to be a parent, spouse, worker, and neighbor, without being kind. . . . But with friendship, kindness is the glue that holds people together. If I should embarrass a friend, be unkind to the feelings of a friend, cause unnecessary harm or hurt to a friend, or in any way treat a friend for my own pleasure and satisfaction, the friendship goes away."—Adapted from Ray S. Anderson, *Living the Spiritually Balanced Life* (Grand Rapids, Mich.: Baker Book House Company, 1998), pp. 78, 79.

Announcements

THANK YOU! – A big thanks to those who came to church and donated to the Food and Medical Supplies Drive last Sabbath, October 10. We collected hundreds of pounds of food, medicines, and medical equipment. The food is being given to Food for Others, a Fairfax-based organization that provides food to people in need throughout the county. The medical supplies will go to Venezuela to help address the dire humanitarian needs in that country. David and Ruth Hittle continue to facilitate in this mission. We will organize future food drives to help meet the ongoing needs in our community, so please watch for the announcements!

Angel Tree – It's that time of year! Our church will be supporting the Angel Tree program again this year. I want to thank everyone for being more than gracious last year. More to come. God bless!

Angel Tree®, a program of Prison Fellowship™, reaches out to the children of prisoners and their families with the love of Christ. Through Angel Tree, volunteers are mobilized to deliver a gift, the Gospel, and a personal message of love to children on behalf of their mom or dad in prison. Every Angel Tree parent's family is also given access to a free, easy-to-read copy of the Bible (available in English or Spanish). It starts with a gift and leads to restored relationships.

Check-in – If you haven't already, please check in before you leave. In case anyone gets sick, we can do contact tracing.
