THANK YOU to each Deaconess for accepting to serve our local church for the coming year. Your role as willing helper, spiritual friend, and attendant to the physical aspects of Lord's house assists the church in its ministry.

Each Sabbath, the "Deaconess In Charge" will hand out the empty baskets to the children just after their story. The "Assistant Deaconess" will collect the offering baskets at the back double doors and take them to the church office. Deaconesses will kindly direct the children in a orderly and efficient way to reach all sections of the church.

Deaconess In Charge – This Deaconess is to be "On Call" to help our congregation as needed. The Mothers Room is especially to be checked for any needs.

If for any reason a Deaconess finds that she is unable to carry out the duties on an assigned Sabbath, please trade with another Deaconess willing to fill in for you. Please call Cindy Thomas at 202-1155 to let her know of any changes.
