A Tribute To My Aunt

Words cannot describe the feelings and emotions your passing has brought me. I have replayed so many memories in my mind that all I can think about is why didn't I cherish you more. You were the listening ear I needed when my stressors would not settle, you were the courage I needed when I felt like I couldn't bear no more, you were the strength I needed when I wanted to give up, but more importantly, you were the love I needed when I couldn't love myself. I'm so hurt and lost without you. I reminiscence the talks and laughter we shared. The wisdom you bestowed and the constant reminders of how proud you were of me. I'm so heart broken to have lost you but God has given me one of the best angels anyone could have asked for! LeLe you were an absolutely phenomenal person! As much as I want to be selfish and wish you to be here with me, I know Grandma has welcome you with open arms. Continue to guide us Auntie, love us like you always have, and rest beautifully
I LOVE YOU.

Statement of Thanks

Our family would like to take time to extend our sincere appreciation for the many kind expressions of sympathy, words of comfort and prayers during our time of bereavement. May bless each one of you and keep you in His tender care.

Elisha's Life Story

Born and raised in the city of brotherly love, Philadelphia, Pa. Elisha Ann Torrence was born on August 31, 1958, to the late John Kennedy and Maggie Torrence. While her family and friends are shocked by her death, they are thankful for her life. She was a beautiful person who spread joy and happiness wherever she went! Her absence will leave a big gap with her family and friends, and she will be sorely missed.

Elisha received her education through the Philadelphia School system and attended various higher-level institutions in which she ultimately received her Masters of Science in Business. She held esteem positions such as an employee of the Philadelphia School System for 10 years and an Acquisitions Specialist for the Federal Government for over 30 years.

There are so many fond memories and wonderful experiences to be shared about Elisha. She enjoyed cooking, planting in her garden, and listening to good music! Elisha was known for being outgoing, humorous, life of the party, and overall an amazing person! Her motivation and determination to accomplish any goal set forth was an inspiration for many of those around her. She was passionate about education and encouraged many to chase after their dreams. During the past year of her life, Elisha spent time traveling and exploring the beautiful culture of Jamaica with her husband. Deeply in love and inseparable, they would actively seek adventures and looked forward to a special and happy life together.

Elisha will spend eternal life with her mother, father, and brother Johnny Torrence. She is survived by a loving family: her husband David Rose, sister Terrie Franklin, nephew Ronnell Sumter, nieces Josezette Sumter and Syreeta Lucas, and great nieces and nephews Jamera Bigby, Antonio Johnson, Shadonna Travers, Ronnell Tabb, Iyonna Vogues and many more, to include an abundance of amazing friends.

and you made it beautiful”
